The Ann Arbor Symphony Orchestra
24th annual

Hearts for the Arts

Celebrating Mary Steffek Blaske
February 22, 2020, 6:00 p.m.
Hearts for the Arts benefits the Ann Arbor Symphony Orchestra’s education and community engagement programs, which reach 30,000 school children and community members each year.

This year’s event is a tribute to recently retired Executive Director Mary Steffek Blaske and all she has accomplished during her 25 years with your A²SO. She has overseen this organization grow from a regional orchestra presenting a handful of concerts each year to the largest arts employer in Washtenaw County. In particular, Mary’s passion for education has fused with the DNA of your A²SO, and her leadership brought the development of one of the most dynamic education and community outreach programs in the Midwest. In addition to our subscription and pops concerts, each year we now present 3 youth concerts, 15-20 school concerts, chamber music concerts at farmers markets, 50 instrument petting zoos, chamber concerts at senior centers and libraries, KinderConcerts at libraries, Sensory Friendly concerts, an annual Side-by-Side concert with Pinckney Community Schools, and more!

Mary’s warmth, good humor and joyfulness have taught us to value the familiar axiom in every job that must be done there is an element of fun. Because of her leadership, effectiveness and enthusiasm for creating musical magic, we think Mary is practically perfect in every way!

Please join me in thanking Mary this evening, by bidding and giving generously so that these programs may continue to flourish as we look to the next 25 years.

“Buy a Bus” to Support the Youth Concerts

“Buy-A-Bus” at *Hearts for the Arts*

- “Buying a Bus” helps to bring students from five counties to hear your A²SO.

- Your $100 donation when “Buying a Bus” helps to defray the rising cost of transportation for schools attending Youth Concerts.

- At a table and mingling in the silent auction room, look for the volunteers selling buses. Every bus purchased assists 50 students to attend the youth concert.

- Take this opportunity to support local students and the important educational programs offered by your A²SO. Last year we sold 72 buses; this year our goal is 80 buses.

Your support is needed more than ever as the A²SO expands our Youth Concert offerings to reach even more students. For the fourth year in a row, we are presenting two separate programs:

- **Carnegie Hall’s Link Up** for elementary students on March 11. In two back-to-back concerts, thousands of students will come to Hill Auditorium to show off the skills they’ve been working on all year in their music classrooms. They will sing and play recorder along with the A²SO during this memorable performance.

- About 2,000 middle schoolers attended the A²SO’s “Music in the Middle” Youth Concert on November 13, 2019. Of the 20 schools that traveled from as far as Findlay, OH, 12 schools received a busing subsidy.

For more information on these and other A²SO Education programs, please contact Yi-Ching Chen (yiching@a2so.com), Director of Education & Community Engagement, or Benjamin Tisherman (benjamin@a2so.com), Education & Community Engagement Coordinator. Contact Yi-Ching if you are interested in volunteering for the concerts on Wednesday, March 11.

Jeff & Barb Duncan

It has been a heartwarming honor to come to know Mary, not only as the Executive Director of our Ann Arbor Symphony over the many years, but as a friend. A friend to the greater Ann Arbor community, the Musical community of all ages —very importantly this... of All Ages, and our family personally ever since our late mother Lela Fuester instilled in us a love of seeing and hearing our Ann Arbor Symphony on stage in our blessedly diverse and artistically enthusiastic community! Like Mary Poppins with her charges to care for, our Mary has steered and guided our A2S0 knowing full well the amazing potential within each and every person involved in the A2S0 Family at every level: Musicians, Staff, Conductors, Board members, Volunteers... and the enormous Family of Supporters and Patrons, such as our family. It is not with a heavy heart that we say “thank you for everything and enjoy your retirement,”... it is with a bright and energized heart and mind that we acknowledge, and are grateful for, that our Mary Poppins Steffek Blaske has set sail knowing, like with the Banks family, that the A2S0 Family is whole, connected, and ready for the adventure of life that lies ahead... Not the least of which is to skip down
the lane to the park to go fly a kite! After all that, there is only one word left to say on the subject, Supercalifragilisticexpialidocious!

Bruce Fuester, Jim Fuester, Barbara Gomez, Linda Williams, and Cindy & Rick DeHart

301  Shine with Shinola

A pride of Detroit since 2011, Shinola is a sought-after luxury design brand with a commitment to crafting products that are built to last, from timepieces to leather goods. This brand-new analog women’s watch, donated by Symphony Board member Jeffrey McKelvey, is made of PVD-coated stainless steel with rose gold and silver tones and a white mother-of-pearl dial. Wear it on your wrist as you and a few friends take a private, behind-the-scenes tour of the 30,000-square-foot Shinola facility inside the historic Argonaut building, a repurposed General Motors manufacturing complex where the watches are hand-assembled. “In some ways, the financial future of Detroit is still up for grabs,” wrote a reviewer for Timepiece Quarterly Magazine. “Yet in the midst of the chaos is a growing watch brand: Shinola. They have made ‘Built in Detroit’ to become more than just a marketing effort. It has become a real way to support the people of the city while getting your hands on a unique timepiece.” Cap off your private tour with lunch or dinner at Jolly Pumpkin in Detroit’s vibrant Midtown district.

Mutually agreeable date and time.

Crystal Downs

Three can play one of the country’s most exclusive golf courses. Designed by legendary golf architect Alistair MacKenzie, Crystal Downs was most recently ranked best in Michigan and 12th in the U.S. by Golf Magazine, which wrote: “Because of its remote location Crystal Downs was long overlooked. The private course became better known after Tom Doak introduced it to Ben Crenshaw in the 1980s. Don’t be fooled by its diminutive length of 6,518 yards from the tips. A combination of strong breezes, thick fescue roughs, undulating terrain and fiendishly contoured greens provide more challenge than most golfers wish!” Downs member and donor Mike Huget will treat you to post-round Cuban cigars and rare whisky from his private collection. Seize a once-in-a-lifetime opportunity to play this sought-after course, which overlooks Lake Michigan, Crystal Lake and the Sleeping Bear Dunes.

Mutually agreeable date. Expires 2/22/2021.

Private Chef Dinner and Wine Pairings for Eight

Ignite your palate with this six-course exploration of tastes from around the world. Former executive-turned-personal chef Calvin Roberson will create a tantalizing menu influenced by his travels throughout the Middle East, Northern Africa, South Africa, Europe, Asia and the United States. Wine enthusiasts Grant Gorman & Geoff Barnes will pair each course with a world-class bottle from their extensive private collection and share their knowledge about the region. Sit back and enjoy as Chef Calvin from Stockpot Cuisine, Grant, and Geoff create an unforgettable evening in the location of your choice.

Mutually agreeable date and time. Expires 2/22/2021.
Pack your carpet bag, head across the pond and experience the old-world charm of Mary Poppins’ London. The four-star Radisson Blue Edwardian Kenilworth (or equivalent) or one-bedroom apartment, based on availability, will be your home base for six nights as you and a partner explore one of the world’s greatest cities. The hotel is located within steps of the British Museum in the heart of the West End, with Oxford Street, Covent Garden, Kings Cross, Soho and Holborn all on your doorstep.
